Omnipod data download instructions

- Eros pump: Go to join.glooko.com to create an account, then my.glooko.com to upload the pump. The pump PDM must be plugged into the computer to download.

- DASH pump: Download the Glooko app, then open the app and click "Sign up for Glooko". At setup, do the following so the PDM can auto upload every 24 hours:

    - Create Podder Central Account with Omnipod.

    - Create Glooko account.

    - Make sure wifi is on.

    - Enable auto uploads with Glooko web browser/Link Podder Central.

    - Enable auto upload via Glooko app.

- To share data with your provider:

    - Enter our ProConnect Code (childrensdayton) during set-up.

    - Notify office staff any time you upload since a notification **is not** sent to your provider.

For more information and the most current instructions, ask us or visit join.glooko.com.
