

SUGGESTED WORDING FOR DEFERRED GIFT DOCUMENTS

Thank you for your consideration of including The Children's Medical Center in your gift plans. Your gift will provide future generations with expert pediatric medical care in their community. You may remain anonymous if you wish, but we prefer to recognize those who include us in their plans because that encourages others to do the same. *The Annae Barney Gorman Society* recognizes those friends who have remembered The Children's Medical Center in their estate plans or lifetime income arrangements and have notified us of their intentions. If you are willing to disclose the approximate value of your future gift, that greatly assists us in measuring the overall funding outlook for our services. Unless otherwise directed by the donor, bequests to The Children's Medical Center are included in the hospital's endowment fund that is overseen by The Children's Medical Center Foundation board of trustees. The foundation board annually allocates a percentage of interest income to support projects and programs of the medical center.

Please contact Laura Fike, senior development officer, at 937-641-3295 for assistance with planning gifts for Children's.
